Subject: Authorization for Representing and Promotion of NATGAS Products & Services in Pakistan

Dear M/s Reliable Industrial Solutions Engineering,

It is with great pleasure that I extend this letter to officially designate **Reliable Industrial Solutions Engineering** as an authorized partner of NATGAS Global Resources, Inc. in the region (Pakistan) for the representation and promotion of our products and services.

Having carefully considered your track record, commitment to quality, and dedication to excellence, we believe that your company is well-suited to represent and promote the values and offerings of NATGAS. We are confident that your expertise and network in the region will contribute significantly to the successful dissemination of our products and services.

As our authorized partner, you are granted the rights to represent, distribute and promote the following products and services:

- 1) Installation, Sales & Service Support of New/Refurb. Ariel Compressors & Spare Parts
- 2) Installation, Sales & Service Support of New/Refurb. Waukesha Engines & Spare Parts
- 3) Operations & Maintenance of Ariel & Waukesha Units

Please note that NATGAS is an official distributor of INNIO Waukesha & JW Power (Primary packager of Ariel Corporation).

This authorization is valid for the region of Pakistan and is effective from 10th January 2024 until further notice. During this period, you are expected to uphold the highest standards of professionalism and integrity in all dealings related to NATGAS.

We trust that your team will actively engage in promotional activities, marketing campaigns, and other initiatives to enhance the visibility and reputation of NATGAS in the designated region. We are open to collaboration and coordination to ensure a seamless partnership and successful representation of our products and services.

We look forward to a fruitful and long-lasting partnership with **Reliable Industrial Solutions Engineering**. If you have any queries or require further clarification, please feel free to contact our [Contact Person] at [Contact Email] or [Contact Phone Number].

Thank you for your commitment to excellence, and we are excited about the prospects of a successful collaboration.

Sincerely,
